As IIEBM Indus Business School welcomed the 27th PGDM Batch, the institute extended a warm greeting to its newest cohort of future leaders.

Students were welcomed to their business school, their campus, and their second home—a place where they will grow as professionals and individuals while building lifelong connections. They were encouraged to embrace IIEBM's Core Values, Traditions, Discipline, and Ethos, which will guide them throughout their academic and professional journey.

Wishing the new batch success, the institute reaffirmed its commitment to nurturing responsible, ethical, and future-ready leaders as it celebrates 26 Glorious Years of Academic Excellence.

Each student will embark on a fulfilling journey of self-discovery as they navigate college life armed with a passion to learn and the right guidance needed to achieve their professional goals. We wish the new batch success as they begin their journey at IIEBM.

BRIDGING CLASSROOM LEARNING WITH INDUSTRY

Students of IIEBM Indus Business School recently undertook a series of industrial visits to Wilo Mather and Platt Pumps Pvt. Ltd., JCB India Ltd. (Pune), and Pune District Cooperative Milk Producers' Union Ltd. (Katraj Dairy), gaining valuable first-hand exposure to world-class manufacturing and operational excellence across diverse industries. The visits provided practical insights into advanced manufacturing technologies, CNC machining, automation, SAP-enabled operations, quality assurance, supply chain management, lean practices such as Kaizen, 5S and Total Productive Maintenance (TPM), as well as stringent safety, hygiene and sustainability standards. Students also witnessed

how digital technologies, innovation and process discipline drive operational efficiency across sectors ranging from engineering and construction equipment to dairy processing and water management. These immersive industry interactions enabled students to connect classroom concepts with real-world business practices, reinforcing the importance of technology, quality, continuous improvement and value creation in modern enterprises. Such experiential learning initiatives reflect IIEBM's commitment to preparing future managers with industry-relevant knowledge, practical exposure and a deeper understanding of contemporary business operations.

IIEBM STUDENTS LEAD CSR DRIVE TO SERVE THE COMMUNITY

Students of IIEBM Indus Business School, in collaboration with Sanjivani NGO, recently conducted a Corporate Social Responsibility (CSR) initiative across different parts of Pune, distributing food packets to underprivileged individuals. The activity provided students with an opportunity to translate classroom values into meaningful community service while fostering empathy, compassion and social responsibility.

Guided by the team at Sanjivani NGO, the initiative reinforced the belief that education finds its true purpose when knowledge is transformed into service for society. The institute expressed its gratitude to Adv. Rahul Babu Torambe and the entire Sanjivani NGO team for partnering in this noble endeavour and inspiring students to become socially conscious and responsible leaders.

EVENTIA 2026: A ROYAL CELEBRATION OF TALENT AND TRADITION

IIEBM Indus Business School came alive with colour, culture and creativity during EVENTIA 2026 – The Royal Début, a vibrant celebration of India's rich heritage and the remarkable talents of the 27th PGDM Batch. IIEBM COMMEMORATES THE 27TH ANNIVERSARY OF KARGIL VIJAY DIWAS

IIEBM Indus Business School solemnly commemorated the 27th Anniversary of Kargil Vijay Diwas, paying tribute to the unparalleled bravery, courage and supreme sacrifice of the Indian Armed Forces during the Kargil War of 1999.

A Wreath Laying Ceremony, followed by floral tributes, was held on the IIEBM campus, where Armed Forces veterans, faculty, staff and students came together to honour the nation's bravehearts. The ceremony reflected the institute's enduring respect for the courage, discipline and selfless service of the Armed Forces.

Observed annually on 26th July, Kargil Vijay Diwas marks India's historic victory in the Kargil conflict and honours the 527 brave soldiers who laid down their lives in defence of the nation. Their extraordinary gallantry was recognised with 4 Param Vir Chakras, 10 Maha Vir Chakras and 70 Vir Chakras, among several other military decorations.

The commemoration served as a poignant reminder that the legacy of the Kargil heroes continues to inspire generations with the values of courage, patriotism and unwavering commitment to the nation.

SARVA DHARMA PRARTHANA SABHA AT IIEBM

“सर्व धर्म समभाव” is a cherished tradition of the Indian Armed Forces, reflecting the values of mutual respect, unity and camaraderie among soldiers of every faith.

At IIEBM – Indus Business School, this proud military tradition was commemorated through a Sarva Dharma Pooja, bringing together our students and members of the IIEBM family in a spirit of faith, harmony and togetherness. This tradition is performed at the beginning of every batch.

We commenced the day at IIEBM – Indus Business School with a Sarva Dharma Prarthana Sabha at the Sarva Dharma Prarthana Sthal on our campus, conducted by the Religious Teachers from the Institute of National Integration (INI), Pune.

Sarva Dharma Prarthana Sthals, maintained across Armed Forces establishments, symbolise secularism, mutual respect and harmony among all faiths—values deeply embedded in the ethos of the Indian Armed Forces.
